### Weekly Opportunities in DFW

Impact children at risk right here in Grapevine! Mentor one of the most at risk kids from Timberline Elementary or Cross Timbers Middle School. All training is provided for this great opportunity with the local expression of the AMOS Project!

Take one Monday night each month as a LifeGroup to serve in La Comunidad through sports ministry or Kid's Bible Club. This is a great weekly opportunity for families as well – kids are welcome to come and serve with their parents!

### International Students, Inc.

Through the months of August and September there are multiple ways to help **international college students** get settled into life in America. You can do anything from donating furniture to picking students up from the airport. This is a FUN, very accessible way to serve and build relationships with internationals. Serve and love a **refugee family** that is new to the U.S. and in great need of help and friendship! LifeGroups can also volunteer to organize the donation shed or help with other current needs.

Help meet the **physical and spiritual needs** of the poor in our area needy through GRACE Grapevine or Mission Arlington, or serve the homeless with Union Gospel Mission in Fort Worth or Dallas. Commit to one day each week or each month to show God's love in a practical way.
